WHAT IS A FOOD AND BEVERAGE MINIMUM?

A food and beverage minimum is the monetary amount that must be achieved within the space reserved, for that event, prior to tax and service charge. If the minimum is not met, the remainder will be placed on the final bill as a room fee. Food and beverage minimums can not be reached by gift certificates, carryout food or carryout bottles of wine and only pertain to food and beverage consumed during the time of the event. Items purchased or rented through outside vendors such as special linens, floral centerpieces and wedding cakes, do not apply towards the minimums.

IS A DEPOSIT REQUIRED AND IS IT REFUNDABLE IF I NEED TO CANCEL?

Stripburger Las Vegas requires a deposit of 50% of the food and beverage minimum for a buyout of the venue. In the unfortunate event of cancellation, we require at least 30 days advanced notice. If cancellation occurs less than 30 prior to your event, the deposit is non-refundable. If a deposit was not required, 50% of the food and beverage minimum (or expected amount) will be charged to the credit card on file.

AM I REQUIRED TO GUARANTEE A CERTAIN NUMBER OF GUESTS?

All contracted groups are required to provide a guaranteed number of attendance three (3) days prior to the events. In the event of guest cancellations after the guarantee has been submitted, the host will be charged for the guaranteed number.

WHEN DO I SELECT THE MENU?

Groups of 20 or more need to choose which set menu options you would like to offer your guests, ideally about one month prior to the event. For events that are booked within one month of the party date, please select as soon as possible. We have set menu options that are available, and can also help customize menus upon request. In addition, we are sensitive to any dietary needs and are able to accommodate most with adequate notification.

DO I NEED TO LEAVE A TIP?

A gratuity of 20% of all food and beverage charges will be applied to the final bill. Additional gratuity for your service team is more than welcome. However, it is not required or necessary.

FINAL BILLING & SPLIT CHECKS

We can split the final bill into a maximum of 4 credit card payments. Any additional payments may be made with cash. We can separate the food & alcohol onto 2 separate checks if needed. Please make sure to discuss special payment needs in advance to ensure a smooth billing process. We cannot provide individual checks for private parties and large group events.
